PORTRAIT PRESENTED AT EVERETT ROOM DEDICATION

A portrait of the late Professor William W. Everett, first faculty advisor to alumni, was presented by Mrs. Everett and her son, Russell, (at left) through the alumni association as part of the Everett Room Dedication ceremonies. Looking on are Dr. Clarence D. L. Ropp, Dean of the College of Arts and Science; and Robert W. Curtis, Vice President of the Alumni Association.

WILLIAM W. EVERETT ROOM IS DEDICATED!

The William W. Everett Room was dedicated formally in December ceremonies at the Student Center. Mrs. Elsie Everett, widow of the late Professor, presented the portrait for mounting in the Everett Room; and Chancellor Halsey, President Littlefield, and Dr. Clarence D. L. Ropp joined in praising Prof. Everett for his service as first faculty advisor to alumni.

More than 100 faculty, alumni, and friends attended the dedication.

The William W. Everett Room was named by 1961 alumni donors through a special contest arrangement. It is located on the first floor of the Student Center and contains special facilities for phonograph record listening.

DIXON NAMED LEADING CANADIAN PROFESSIONAL FOOTBALL PLAYER

George F. Dixon, '58, former UB football star, was named the outstanding professional football player in Canada for 1962!

Mr. Dixon, former Arnold and College of Business Administration alumnus, won every award that could be attained by a professional footballer in Eastern Canada.

Mr. Dixon earned the Canadian league scoring championship award, the most valuable player trophy, the most sportsmanlike player trophy, and the Schenley Award as the most outstanding player in Canada.

A member of the Montreal Alouettes

professional team, he currently resides in Montreal where he is Sales Manager of Coorsh & Sons, Ltd. in the off-season. A native of New Haven, Mr. Dixon received Little "All-America" honors while playing for the University.

Robustelli, Webb Star

Andy Robustelli and Alan Webb, former students of the pre-UB Arnold College, also have been accorded national acclaim for their stalwart defensive work in leading the N. Y. Football Giants to the Eastern Division title of the National Football League. The Giants bowed to the Green Bay Packers, 16-7 in a closely-contested NFL professional championship game.

Average Giving Up \$2.07 in '62; Total Alumni Amount Also Rises

Alumni fund chairman Bill Tillson and his 1963 fund committee are now making plans to further increase alumni average giving this year after 1962 figures showed a healthy \$2.07 rise per alumni donor.

Last year's total of 1,211 alumni gifts for \$11,790.26 also surpassed actual alumni cash raised in 1961 by \$703, since undergraduate class gift totals are no longer added to the alumni fund.

Participation declined 249 donors and 6% from 1961, but some decline in marginal support was expected due to emphasis on the "Fair Share" scale of support. However, fund-raising postal savings alone amounted to more than \$700.

New Reporting System

A new gift reporting system will count Junior College and University alumni separately in the future, and thereby enable the University to post a more accurate future figure in American Alumni Council giving surveys.

Actual UB alumni 1962 giving, not counting Junior College gifts, was 1,066 donations for \$11,063, reaching an average gift of \$10.39 and a 30% participation level.

Faculty-Alumni 100% for '63

According to compilations made by the alumni office, all known UB full-time faculty and staff members will be paying on pledges this year. This should result in a sizable amount increase in alumni pledge payments during the current calendar period.

Top Canadian Footballer
