## Peg Simmons Named 1954 Frosh Queen

Peggy Simmons was given a warm and hearty welcome by 500 students as she was crowned Freshman Queen for 1954 at the Freshman Dance held Friday evening at Glorieta Manor.

The Queen's lovely court was composed of six finalists in the beauty contest: Elaine Durrenel Mary Vickers, Lois Prentice, Ruth Nordland, Adele Berman and Roberta Tordoff.

### Dr. Dolan Presents Crown

The 1953 Freshman Queen, Cyma Altman, gave up her crown to Dr. Francis Dolan, Freshman class advisor and assistant professor of biology, who in turn presented the award to Miss Simmons.

Peggy, a sparkling brown-eyed, brunette, stands five feet-one inch, and weighs one hundred and seventeen pounds.

She was very active in sports at Stoneham High School, Stoneham, Mass.; she excelled in basketball, volleyball and badminton. Peggy was also Head Majorette during her Junior and Senior year. Last year she was honored as an attendant at the school's Winter Carnival. Her hobbies are knitting, tennis, swimming and dancing.

### Was Summer Counselor

During the Summer, Peggy was counselor at a Summer Camp, where she helped teach athletics. While attending UB, she will be teaching Sunday School at the Baptist Church here in Bridgeport.

## Annual Open House Set For Oct. 10

Sunday, October 10, will mark the date of the second annual campus-wide open house, sponsored by the University's Board of Associates. Raymond Hargraves has been appointed chairman for this project with other appointments soon to be announced.

Last year, when 1,500 visitors toured the campus and university buildings at the first open house, the Board of Associates termed the project such a huge success that it was immediately voted upon to be continued as an annual affair.

There are 112 members of the Board, and the plan of the organization calls for each member to designate himself to a particular area of the campus. He will guide the visitors through that section throughout the day. Other assistance will be forthcoming in the persons of regular faculty members, while student guides will escort the visitors on a conducted tour.

Last year each visitor was greeted personally by President James H. Halsey, Dr. Henry W. Littlefield, Vice-President and David W. Price, who was then president of the Board of Associates. The guests of the university toured eight academic and administrative buildings including dormitories, classrooms, and recreational areas. Harold C. Main, who is now president of the Board is making "adequate-plus" preparation for a very successful open house.

PEGGY SIMMONS - - - 1954 FRESHMAN QUEEN

## Carlson Library Construction Underway, Expected to Be Open by May 1955

Ground-breaking ceremonies for the new Carlson Library were held on Sept. 13, presided over by Dr. Henry W. Littlefield, Vice-President of the University of Bridgeport. In attendance were President James H. Halsey, A. V. Bodine, and William and Philip Carlson.

The Carlsons donated \$200,000 toward the construction of the new library, which is expected to open its doors in May 1955. It will be located at the present site of Bishop Hall, on the corner of Park Place and Park Avenue.

Construction and excavation is being done by the Frouge Construction Co. Inc. of Bridgeport. It will be an ultra-modern L-shaped building, planned to hold approximately 100,000 volumes. On opening day approximately 55,000 volumes will be on hand on the shelves.

### Will Hold Great Works

The new library will hold collections of great books contributed by local friends of the University. Included will be a special collection on Abraham Lincoln, donated by Robert Davis; 3,000 volumes of great books from Mrs. Della Mizer; a collection of classical works presented by Lewis Humberger, Leigh Danenberg, Joseph Watts and Henry Rosen; and a collection of valuable art books from Mrs. Lesley Fairchild.

Mr. Lewis M. Ice, librarian of the present Fones Library, will remain as head of the Carlson Library and will continue to use the open-stack method in use at Fones.

## Nine Girls Dorms Now On Campus As Women Reign

Park Hall will no longer be inhabited by football and basketball players. It will perhaps be visited by them, but they will be denied permanent residence. Due to the overwhelming majority of girls to boys in the freshman class, it was necessary to convert the "Home of Champions" to a dormitory for women. Park, along with the recently acquired Wilton Hall and Stratford Hall, which was brought out of retirement, are the three latest co-ed acquisitions.

Filling out the roster are Schiott, Milford, Wistaria, Linden, Seaside and Southport Halls.

Mrs. Edith Decker, by being chosen house mother of Wilton Hall, kept intact her fifteen year string of firsts. Since Freemont Hall, the first girl's dormitory in the Junior College of Connecticut was opened, Mrs. Decker has been the first house mother in every one of the subsequent halls.

The only remaining men's dorms on campus are Marina, Trumbull, and Waldemere Halls. Dorm proctors are: Park Hall, Mrs. Herbert E. Glines; Schiott Hall, Mrs. May Lewis; Mrs. Doris Hoffman at Stratford Hall; Miss Claire Fulcher at Wistaria; Mrs. Walter Kondratovich at Seaside; Miss Irene Desmond at Milford, another converted dorm; and Mrs. Marion Lunn at Linden Hall. In the men's dorms Mr. James Fenner is proctor at Marina; Mr. Alphonse Sherman at Trumbull; and Mr. Robert A. Redman at Waldemere Hall.

## Dick Barrett Council Head For Coming Academic Year

by Ken Hawman

Richard R. Barrett will bring the first meeting of the Student Council to order on Tuesday, Sept. 28, in the Student Council Chamber, second floor of Alumni Hall. Barrett was elected President of Council during the major school elections held in the last week of school, in May, 1954.

## UB Adds Twenty Faculty Members

Twenty new full time members have been added to the growing roster of the University of Bridgeport to accommodate the tremendous enrollment for the coming year. Foremost among the additions is Dr. Arthur Trippensee, former Superintendent of Schools in Medina, N. C., who has assumed the duties of Dean of the College of Education.

Other new faculty members include: College of Arts and Sciences, Dr. A. Lucile Cox, Assistant Professor of Chemistry; Dr. Norman Reid, Assistant Professor of English; Victor Swain, Instructor in English; George Stanley, Assistant Professor in Mathematics; Hassan Zandy, Associate Professor of Physics.

College of Education: Dr. Trippensee, Dean; Dr. Kenneth A. Chandler, Associate Professor and Chairman of Psychology Department; Miss Irene Kent, Instructor in Physical Education; Miss Ruby Kelley, Mrs. Ann Gerard and Ernest Buchholz, members of the Reading Laboratory faculty.

College of Business Administration: Dr. Henry Marx, Associate Professor and Chairman of Accounting; Dr. Edwin F. Beal, Assistant Professor of Industrial Relations; Howard Jacobson, Instructor and Co-ordinator of Journalism.

Junior College of Connecticut: Mrs. Rose Barone, Instructor in Weylister Secretarial School; Miss Sybil Wilson, Instructor in Art.

College of Nursing: Miss Louise Fohrenbach.

Division of Engineering: Robert Hadfield and Herbert W. Hope Jr., Assistant Professors in Engineering.

Division of Student Personnel: Miss Claire Fulcher, Instructor and Counselor for women.

## College of Nursing Gets \$2500 Grant

An anonymous grant of \$2,500 to the University's College of Nursing, will be used to set up and institute a new type of course in the field of science, believed to be the first of its kind to be offered by any college or university in the nation, according to Vice-President Dr. Henry W. Littlefield.

The new program will be under the supervision of Harry L. Wechter, Assistant Professor of Chemistry, and will deal basically with the inter-twining of sciences with philosophy, yet without emphasizing this branch of learning.

The course is primarily designed for nurses, however it will also be available to the other colleges of the University, and eventually it is planned to make it a required course for all students.

A Pi Omega Chi man, former Treasurer and Vice-President of the Council and the University Student Delegate to the National Student Association Convention at Iowa State College last year, he is a senior majoring in Industrial Design in the School of Engineering.

### Vossler Veep

Other council officers elected to serve this year are: Vice-President, Robert Vossler; Executive Secretary, Betty Weber; Corresponding Secretary Patricia Craig; and Treasurer-David Bar-Cohen. Bar-Cohen and Barrett were elected unanimously in uncontested elections.

The Student Council officers were elected by the fifteen representatives elected by the student body last year. In keeping the the workings of the government body close to the students, the new President invites all students interested to attend the initial meeting at Alumni Hall on Sept. 28, scheduled to begin at 10 P. M.

In winning the election, Barrett succeeded Bob Levine, who graduated last year as the top student government head on campus.

### Won Public Speaking Contest

Barrett won first place in the public speaking contest in 1951 and has served as an officer in the POC fraternity on campus. He is the son of Mr. and Mrs. Richard C. Barrett of Edgewood St., Stratford, Conn.

Representation of the Student Council is by academic class with the Senior Class electing six members, the Juniors electing five, the Sophomores electing four and the Freshmen electing three.

In senior class elections, also held last May, Joseph DiDominico was named President; Miss Craig, Vice President; Barrett, Secretary; Marvin Gelfand, Treasurer; and Jim Martin, representative.

Other class elections saw Robert Vossler elected President of the junior class and Elmer Bedford to the same position in the sophomore class Sam Goldberg and Rette Weber were voted veeps of the classes in the order named, with Bernie Milove, Myra Seide and Ignazio Salone voted as Secretary, Treasurer and Representative of the juniors and David Bar-Cohen, Larry Miller and Les Sutton to the same titles in the sophomore class.

## Frosh Must Wear Buttons

The Freshman Week Committee again reminds all UB yearlings that beanies will be standard equipment at the New Hampshire game, Saturday night, and a booster button is also considered as an integral part of the Frosh uniform. Buttons will continue to be sold today and tomorrow. Not only will spirit get a boost but monies collected will be turned over to the Campus Chest.

# SMILE

You've heard and hummed that new song on the Hit Parade - "Smile". Curiously enough, that's the title of this editorial. . . . SMILE. As freshmen, you will learn many things here at our University. You undoubtedly have met and made some friends already. Some of these people will soon be forgotten - and some of them will be by your side forever.

Perhaps you have wondered what is the most important thing you can learn here. We are in a position, in retrospect, sition, in retrospect, to suggest the one thing we have found to suggest the one thing we have found to be all-important, on and off the campus, now and in the future - friendship.

How do lovely frosh gain this friendship deemed so important? We sum the answer up in one word - SMILE. "Smile and the world smiles with you; cry and you cry alone" may sound a little corny but is is very true.

UB is not a secluded rendezvous for cliques or individual snobs - it is a meeting place of friends. These friends were once frosh like you and they became friends through a simple, warm and friendly SMILE!

# FROSH

In their first week on campus, the new freshmen class has already been acclaimed. The class is the second largest in the university's history.

Going along with the national trend, but contrary to expectations, UB's freshmen enrollment has increased from 594 last year to well over 600 this year.

The nation's educators had expected the number of enrollments to be in the vicinity of 3,000,000 students by 1958. The new class at UB has gone over the national average, but the administration wasn't caught by surprise. Two dormitories, Stratford and Wilton, have been opened for freshmen girls, and Park Hall has been changed from a boy's dorm to a freshman girl's dorm.

All in all, the new class has made a big initial splash, heres' hoping that they keep it up.

# WANNA BET

Bumped into a somewhat skeptical upperclassman the other morning, who, we truthfully admit, disturbed us more than a bit. "This crop of frosh are a bunch of dead-heads", he intelligently proclaimed, and further added, "Can't they make any noise? Haven't they got any spirit," This, coming from a character with about as much spirit as a Dodger fan after last Monday's pennant-clinching victory by the Jints, really set us back a few steps.

Maintaining as much composure as it is possible to maintain when your blood is reaching the boiling point, we politely informed him that his theory was slighty "all wet" and we personally thought it was one of the best and livliest bunch of frosh we had seen at UB. His only retort was "Yeah, bet you can't even hear them sound off at the New Hampshire game. Wanna bet?" To make a long story less sufferable, we dug deep and bet the guy. Come on, frosh, show us we were right. Funds up here are getting low.

# Applications Rise Above Last Years

Almost 1100 applications for admission to the University of Bridgeport for the Fall semester have been received by the Admissions Office, according to the latest figures released by Dr. Donald W. Kern, Director of Admissions. This figure represents an increase of about 275 over the corresponding period last year excluding transferees received from Arnold College and Champlain College.

In 1953 there were 1214 full time day students in attendance at this school and with 660 new students already having been accepted, that figure should rise to near 1400. Including night division, the University expects a total enrollment of 3000.

### Rejections High Too

"Although our rate of application is experiencing a rather large increase" said Dr. Kern, "our rate of rejection is also running at an extremely high point. We have already rejected 190, whereas our previous high for rejections was 187. However", he added, "the rather large percentage of rejections was in the early applications and more recently it has levelled off to its normal point".

The highest application point in UB history was 1949, when a total of 1319 were processed.

On corresponding dates for 1951 and 1952, 700 and 717 applications respectively were received. Last year, including the two other college transferees, the University had received 877.

by Lou Csiga

The spirit of the University of Bridgeport is embodied in the work of the sororities and fraternities on campus. This work is to develop the social and communal life of the student.

In this first column of the new school year, I would like to introduce the Greek letter organizations to you.

The campus functions of the sororities and fraternities are controlled by the Inter-fraternity Council. The Council is a representative body whose members are chosen from the Greek letter groups.

There are two social sororities and ten social fraternities on campus. The oldest fraternity on campus is SIGMA PHI ALPHA. It was approved Oct. 3, 1941. SPA annually awards an athletic scholarship and has established the Morton Levy Memorial Fund. The fraternity dance, "Cottonball Caper" is an annual social event.

THETA SIGMA was the second fraternity to be recognized. The TS men are noted for their strong bonds of fellowship as exemplified by their alumni. A Christmas party for the Crippled Children's Workshop and the Winter Ball are TS traditions.

DELTA EPSILON BETA, the third oldest fraternity, was formed by transfer students from other schools. The wearing of the green is synonymous with DEB because their annual dance is in honor of St. Patrick.

PI OMEGA CHI is a well-known name on campus. The members elect a queen each year and she presides at all the fraternity's social affairs. Characteristic of POC are the green berets worn by the pledges.

ALPHA GAMMA PHI is noted for its prowess. An award is presented to deserving students who have shown ability in enhancing the prestige of the University.

KAPPA BETA RHO is distinguished by the combined efforts of the entire fraternity to be of service to the University. KBR prides itself on intra-mural sports activities and, for the second year in a row, KBR will start the UB social season with its dance.

The seventh Greek letter organization on campus is BETA GAMMA. It was the first sorority on campus and has been the "lucky" seven organization. BG's annual dance brings the campus back to the days of the Charleston, hip flasks and flappers.

The second sorority on campus, THETA EPSILON, is dedicated to the promotion of better human relations on campus. Pledge week and the "Halloween Masquerade" are highlights on TE's calendar.

ALPHA DELTA OMEGA is known as "UB's most progressive fraternity". Each year the brothers present an award for humanitarianism and brotherhood. In recent years, Mrs. Eleanor Roosevelt and Mr. Frank Jacoby have been presented with the award. ADO's annual after-Campus Thunder dance "The First Nighter" is the highlight of their social calendar.

Organized in the fall of 1950 SIGMA LAMBDA CHI is founded on the principles of brotherhood. The bow-tied, straw-hatted pledges are a tradition with SLX.

UPSILON BETA SIGMA was formed in the interest of furthering inter-racial and religious brotherhood. In fulfilling this purpose, UBS has sponsored lectures in the field of brotherhood.

The newest Greek group on campus is SIGMA OMEGON SIGMA. It had its institution at Champlain College, and when Champlain was merged with UB, SOS came along also.

# Paragraphing the News

One of the newest additions to the campus is the little theatre, located on Hazel St. Formerly known as Schiott garage, the building was completely renovated during the summer months and will have a seating capacity of approximately 150.

Entrance to the building is gained through modern glass doors, the ticket office is at the left of the lobby. Dressing rooms are located on the second floor with a private entrance provided for the cast.

Al Dickson, Director of Campus Productions, has announced that casting and try outs will be held in the new theatre for the 8th annual Campus Thunder on Sept. 28 and 29, from 7:30 to 9:30 P. M.

The SCRIBE, on behalf of UB, would like to extend a hearty thank you to Don Royer and Dick Watkins of the maintenance crew, who are lugging furniture around the campus to make the new students comfortable.

Two freshman girls, Sugar Aronson and Joan Falk, have announced the opening of the Campus Shoe Shine Parlor, located in Alumni Hall.

Starting today, the Alumni Office will have subscriptions to Time, Life and Fortune magazines available at student prices. The proceeds from the selling of these subscriptions will be channelled back into Alumni Hall in the form

of recreational goods and social activities.

Wes Hobby, chief announcer at WNAB (1450), stated today that the station will broadcast all UB football games, home and away. The air time will be handled by Hobby and Bob Ritzert.

Linden Hall, one of the oldest women's dormitories on campus will hold open house, Sunday Sept. 26 from 3 to 5 P. M.

Under the supervision of Mrs. Marion Lunn, the girls hope to see every faculty member, student and alumni member there.

A surprise party for UB faculty and staff at Alumni Hall, Oct. 2, at 8 P. M., is being sponsored by the Faculty Women's Club. The social committee is composed of: Mrs. Herbert Glines, Chairman, and Mesdames Charles Jacobs, Alphonse Sherman, Anna Boldakoff, Theodore Nowlan, and Earl Sauerwein.

This year, the Alumni Hall staff is cracking down on unauthorized parking in the rear of Alumni Hall. Al Sherman and the Alumni Hall Recreation Committee executives are going to give parking summons to any cars not belonging to Alumni Hall personnel or the Cafeteria Staff. For the first ticket, the fine will be \$1 payable within 48 hours. If not paid within the allotted time, there will be a \$2 fine and a three day suspension.

## Grid Season Opens Saturday With Knights Meeting UNH

by Larry Babich

The University of Bridgeport football team will open its 1954 season at Candlelite Stadium, Saturday night, playing host to the power-packed Wildcats of the University of New Hampshire. Kickoff time is scheduled for 8 P. M.

### Practice Underway As Booters Face 10 Game Schedule

A rugged 10 game schedule faced the University of Bridgeport soccer team, as practice got underway last Wednesday in preparation for the 1954 opener with Rider College on Oct. 6. The Knights will make their first home appearance against Albany State Teachers College Oct. 9 and close out the schedule with Fordham University, Nov. 20.

Coach Johnny McKeon, who took over the helm of the booters in 1953, and led the Purple and White to their best season with four wins in eight contests, will have 10 of last year's starting team and several other veterans back in action this season. Only goalie Wally Slavkin is missing from the squad and his position is expected to be filled by basketball and baseball star Jimmy Davins.

#### DeNoto-Katz, Co-Captains

Co-captains Tommy DeNoto and Darryl Katz headed the list of returnees that includes Mike Belmont, who was voted second team All-New England by the New England Soccer Alliance, Gordie Cochrane, who was given honorable mention, Bob Stevenson, Carlos Lares, Jack White, Mark Scheinhart, Nick D'Aluisio, Herbie Rudolph, Ralph Carbone and Louis Besson.

Five of the opponents on the 1954 schedule are new to UB soccer, and a like number are carry-overs from last season. The new schools are Rider, Brandeis, New Bedford Textile, Adelphi and Hofstra.

#### The complete schedule:

Oct. 6, Rider (A\*); 9, Albany STC (H); 16, Brandeis (H); 23, New Bedford (H); 26, Hillyer (A); 30, Adelphi (A).  
 Nov. 6, Long Island U. (H); 10, Panzer (A); 13, Hofstra (H); 20, Fordham (A\*).

- \* Night Game
- Morning Game

This is the first time the two schools have met, and both coaches, Walt Kondratovich of Bridgeport and Clarence "Chief" Boston, will be looking to take the opening game of what may prove to be an interesting intersectional rivalry.

Kondratovich, starting his sixth season at the helm of the UB gridders, has only 11 lettermen back from the 1953 squad, which won four while losing the same number, plus several other veterans, listed on the 27 man roster, but the lack of second line strength is strikingly apparent.

Boston, on the other hand, has 20 returning lettermen, foremost among whom is quarterback Billy Pappas, who led the Wildcats to a tie for Yankee Conference honors last year, and was voted All-Conference at that position. Steve Mazur and Paul Ashnault, an end and a guard, respectively, were also named to the All-Conference team, and Boston is counting heavily on both men this season.

The UB skipper will have an all-veteran lineup to start the game, but beyond that stands a big question mark. Only one non-returnee has a chance to break into the starting eleven, Maurice "Mac" MacAllister, a hard running, shifty halfback.

Ray Glatkowski, who was hampered by bad knees last season, will hold down one of the end spots, with Dick Cipriani playing the other wing. At the tackles, George Stropparo and Hal Trischman will see most of the action, with Frank Aloï backing them up. The Di Dominico twins, Fred and Joe, will probably start at the guard posts, but Lenny Pirro, a converted center, may move one of them out. Dave Deep, one of the most dependable men on the squad, will hold down the center slot.

In the backfield, Don Ardito is the number one quarterback, with co-captains Johnny Esposito at one halfback and Roland Emery at fullback. The other halfback slot will most likely go to Dick Fresolone, with MacAllister having an outside chance at the position.

After New Hampshire, the Purple Knights take to the road to play two road games against Upsala College at East Orange, N. J., and Hofstra College at Hempstead, L. I. before returning to meet New Haven State Teachers on Oct. 16.

## Frosh Squad Is Added To UB Football

Something new has been added to the athletic scene on campus. A freshman football team, that may be the first step for the University of Bridgeport on its way to becoming a small college football power.

This action was brought about by UB being accepted into the Eastern Collegiate Athletic Conference, which bars the participation of freshmen in varsity competition if the institution's male enrollment is greater than 750.

The varsity was hit very hard by the ineligibility of Bobby Mark, a freshman halfback from Bassick High School in Bridgeport, who showed great promise. Other ineligible standouts are guard Gary Engler, also from Bridgeport, and Bob Kilpatrick, an end from Milford.

During the past baseball season, one of the ballplayers' favorite pastime was leaning out of the bus window as it rolled through various hamlets throughout the east and shouting to passer-bys, "Do you know Johnny Esposito?"

Well, not too many people, if any, knew the little guy, but if he continues to carry the ball the way he has in practice sessions, an awful lot of enemy safety men are going to get acquainted with Johnny Esposito, co-captain of the UB football team.

Esposito has acquired more speed than he had last year and seems to be trying to live up to his elected position by hustling every minute of practice.

Rolle Emery, the other half of the co-captain team reported to camp in wonderful physical condition and at this writing seemed to have the starting fullback slot sewed up.

Rollo is a natural fullback but Walt Kondratovich has him playing in both the quarterback and halfback slots, just in case. The driving lad from Massachusetts, who ran 45 yards against New Britain in the rain and snow last year, is one of Kay's mainstays and will be counted upon to go almost 60 minutes per game.

## ALONG PARK PLACE

By BILL WRIGHT

"AND AWAY WE GO". . . . Off to another gala year at old UB. The Soph, Juniors and Seniors are ready for the shock of the social season, but what about the poor little Beany-heads. I offer my sympathy. Didja have a good time at the Frosh Dance at Glorieta? Well, that was just a drop in the bucket compared to the bigger things that are in store for you.

It'll be my job throughout the year to keep you posted on your pals and gals, social activities, adventures, and occasionally a misadventure or two at the "Club" or the "Wall". Ask any staggering Sophomore, he'll tell you.

**FRESHMAN TOTE-BOARD DEPT.:** Hey guys. How about all these Freshman girls? According to enrollment records, the Frosh girls outnumber the fellows about 7 to 3. Dig those crazy odds.

Wedding bells have broken up many old gangs at UB this Summer. New brides included Bette (Van Winkle) Byrnes. . . Carol (Shea) Toffey). . . Cathy (Boyhen) Anderson. . . Roberta (Davis) Hoinacki. . . Juliana (Petersen) Schneider. Popular grooms, Gary Singer. . . Ernie Svab. . . Al Gabrys. . . Hans Schneider and Stan Hoinacki.

From Washington, D. C., comes the report that football co-captain Roland Emery has acquired a formal relationship with a waitress at Bennys in the Capital City. How about this, Rol?

Congrats are in order for newly engaged couples, "Bobby" Ann Julian and Tony McMartin. . . Abby Elstein and Bob Paul. . . Wistaria Queen, Jackie McCue and Dick Syretz. . . Maria Kormanik and Steve Michaels and Rosemarie May and Jim Monka.

Jan Shatz presented Russ with a bouncing bundle of joy named Debbie. And believe it or not, she was born with a crew haircut and a long corn cob pipe in her mouth.

**WEATHER FORECAST:** "Campus Thunder" will travel this year and plans to take Hartford by musical storm.

Bill Kresge and Mel Zimmerman have received "Greetings from their Uncle Sam, and are now sporting new Fall suits of olive drab.

Frosh Queen, Peggy Ann Simmons has veritably captured the eye of former local football star, Bob Mark. Don't get caught behind the line on your next forward pass, Bob!

After going steady for more than a year, saw Moffitt finally pinned Joan Francis. It was a tough fight, but she won. . . also on the "newly pinned" list are Marilyn Schneider and Denny Karlen.

There were more boys in Park Hall during the last

week than there were all last year, when it was a men's dorm. Wilton and Schiott are holding their own too.

Sue Rosner is now the proud possessor of the largest daimond on campus, given to her by her fiancee, Navyman Jack Windt.

A Frosh co-ed, when asked by Sunday Post reporter, Bob Stock (a former UBite), why she enrolled at UB, answered, "Well, I sent for the catalogues, and I thought I'd like the school. . . and it was near Yale." Yale? Where's that?

## AHRC Adds Art Publicity

The Alumni Hall Recreation Committee had added an Art and Publicity Department to its growing scope to further its services to social groups on campus.

With its new embosograph machine, which can print almost any type of poster, the department will make posters for any recognized group for a nominal fee, sell poster material to students at discount, and will help a group plan its publicity campaign for its events.

The offices of the new department are located on the second floor of Alumni Hall in what was formerly the Alumni Office. Jim Muller, Publicity Chairman, of the AHRC, has been named coordinator of the department.
