ALMA MATER HYMN

Our Alma Mater, pioneer and leader,
To thee our praise and loyalty we sing.
Our noble college, nestling 'mong the maples,
Thy fame and honor through the world shall ring.

Blue, dashing waves that foam upon the sea shore
Lend their endurance and their strength to thee.
Off in the distance, curling smoke of fact'ries
Give inspiration to all industry.

Thy stately halls have fostered our ambitions;
Our aspirations, etched with flaming light;
Knowledge, vouchsafed, and legion friends accorded;
Service revealed, on Truth's great shining height.

Down through the years, the mellow, golden seasons,
Mem'ries of thee in all our hearts will cling;
These joyous days return in glad remembrance:
Then once again our love and praise we'll sing.

—Words by Miss Evelyn Holmer

—Music by Professor Pierre Zampiere

Professor Nicholas Ciarlo
