# UB ACHIEVEMENTS & HONORS

## STUDENTS & ALUMNI

### ATHLETICS

*Priscilla Dodoo* was named ECC Women's Basketball Player of the Week on January 22.

*Sasha Tsikhanovich* won ECAC Division II Gymnast of the Week honors on January 23. *Monica Mesalles Sallares* was ECAC Division II Gymnastics Specialist of the Week, and *Lisette La Fex* received the ECAC Division II Gymnastics Coaches Award for the week of January 29. Purple Knights Gymnastics is now ranked 37th nationally for the NCAA, the first Division II team to rank so high. UB remains number one in USAG Collegiate Rankings.

*UB Men's Swimming* had moved up to number 12 in the national rankings as of January 31.

### ENGINEERING

*Ahmad Abushakra*, a Ph.D. candidate, and *Miad Faezipour*, assistant professor of computer science and engineering, will publish their paper, "Acoustic Signal Classification of Breathing Movements to Virtually Aid Breath Regulation," in the *IEEE Transactions on Information Technology in Biomedicine* (newly renamed *IEEE Journal of Biomedical and Health Information*). Research was carried out at UB's Digital/Biomedical Embedded Systems & Technology (D-BEST) Lab in the Computer Science and Engineering Department.

## FACULTY & STAFF

### BUSINESS/TECHNOLOGY MANAGEMENT

*Gad Selig*, associate dean for business development and director of the technology management graduate degree programs in the Graduate Studies and Research Division and the School of Engineering, has been invited by the Fairfield/Westchester Chapter of the Society for Information Management to speak at their meeting on February 21 about how to write and publish books. Dr. Selig should know: he is the author of five books and more than 70 articles, chapters, and presentations.

### ENGINEERING

*Zheng "Jeremy" Li*, associate professor of mechanical engineering, has been awarded \$20,000 for "Computer-Aided Analysis and Experimental Study of Nano-Coating Technology Applied to NASA and the US Aerospace Industry" by the Connecticut Space Grant Consortium (CSGC). The CSGC also awarded \$11,000 to *Hassan Bajwa*, assistant professor of electrical engineering, for "Nanoscale Antenna for In-Space Power Harvesting Application." Four undergraduate engineering students were awarded \$5,000 fellowships: *Matthew Breland* and *Jean Armatiss*, both students working with Professor Bajwa; and *Sarah Michels* and *Yazan Lpizra*, both students of Professors *Miad Faezipour* and *Prabir Patra*. *Jani Pallis*, associate professor of mechanical engineering, is UB's representative to the CSGC and announced the awards to UB students and faculty, who are, she noted, "pursuing real-world applications related to NASA's mission."

## NOT TOO LATE Piece of Your World: France

Thursday, Feb. 14, 1-2 p.m.

For a Valentine's Day treat, stop by the International Student Services Office (Wahlstrom G-133) for free appetizers of the delicious French type, and also learn more about France.
